Spring 2008 Regional Education Seminar

Region 7: Baraga June 4-6, 2008

Put Your Community in the Race!

Attend the Regional Education Seminar and Compete to Win the 2008 Race for the Cup!

Regional Education Seminar

To sharpen your public service skills and keep you informed on important community-related issues, the League offers seven Regional Education Seminars. With one seminar in each region, you won't have to drive far to stay ahead of the latest trends, hear experts in related fields, and prepare yourself for the future of your profession. And, this seminar is **only \$25 per person!**

Who Should Attend?

League members who strive to be more knowledgeable, confident local officials. You will take home new skills and creative approaches for dealing with challenging professional situations.

Regional Seminar Highlight – Community Excellence Award: Round 1

The League recognizes innovative solutions through the peer-nominated Community Excellence Award, a spirited competition we affectionately call “The Race for the Cup.”

Competitors for the 2008 Award are given five minutes to present at their respective regional seminar. Following the presentations, candidates are reviewed and scored by the regional seminar attendees, and the winner (for that region) is announced.

The seven regional finalists go on to represent their community in the final round at the League's Annual Convention, where votes from every Convention attendee are counted, and the winner is announced at the Convention's final event.

Does Your Community Have What it Takes?

Enter your community in the 2008 Race for the Cup if you answer YES to the following questions:

1. Does your community have an innovative local success story, program, or project?*
2. Did this project have a positive impact on your community?
3. Could another community adapt this project to meet a similar challenge?
