

Michigan Municipal League Foundation
“Enhancing Local Government” Project
“The Public Official’s Guide to the Duties of Office”

Objectives for the Resource

Behavioral Objectives

1. Motivated to deal justly and fairly with all stakeholder groups and members of the community, according to the rule of law.
2. Motivated to initiate or support the development and enhancement of group decision-making processes, whether in their council or commission or within and among municipal departments.
3. Motivated to advocate taking the long-term view and enacting policy or creating procedures that will benefit the whole community over the long term.
4. Motivated to operate with transparency and openness, and to make ethical decisions wisely and prudently, in a variety of areas, so as to avoid the appearance of impropriety.
