The following costs are being charged/estimated in compliance with Section 4 of the Michigan Freedom of Information Act, MCL 15.234, according to the City’s FOIA Policies and Guidelines. If the City is seeking a 50% deposit prior to providing the public records sought, the estimate is itemized on this form, lines 2-7 below.

1. If all or a portion of the requested information is available on the City’s website, the City is required to tell you it is available on the website and, where practicable, include a specific webpage address where the information is available. In this case

of the requested material can be found at the following webpage(s):

____________________________, _____________________________ , ____________________________.

If the webpage is all the information you need, it is provided without charge. If, however, you still wish to receive a copy of material from the webpage, please let us know. The usual charge will apply if the City is required to produce copies of material from the webpage.

2. Labor Cost to Locate Records Not on City Website:
This is the cost of labor directly associated with the necessary searching for, locating, and examining public records in conjunction with receiving and fulfilling a granted written request. This fee is being charged because failure to do so will result in unreasonably high costs to the City because of the nature of the request in this particular instance, specifically:

________________________________________________________________________________________

The City will not charge more than the hourly wage of its lowest-paid employee capable of searching for, locating, and examining the public records in this particular instance, regardless of whether that person is available or who actually performs the labor.

These costs will be estimated and charged in 15 minute time increments; all partial time increments must be rounded down. If the number of minutes is less than 15, there is no charge.

This is the cost of labor directly associated with duplication of publications, including making paper copies, making digital copies, or transferring digital public records to be given to the requestor on non-paper physical media or through the Internet or other electronic means as stipulated by the requestor.

This shall not be more than the hourly wage of the City’s lowest-paid employee capable of necessary duplication or publication in this particular instance, regardless of whether that person is available or who actually performs the labor.

These costs will be estimated and charged in 15 minute time increments; all partial time increments must be rounded down. If the number of minutes is less than one increment, there is no charge.

5. Labor Cost for Separating Exempt from Non-Exempt (Redacting): Material Not on City Website

The City will not charge for labor directly associated with redaction if it knows or has reason to know that it previously redacted the record in question and still has the redacted version in its possession.

This fee is being charged because failure to do so will result in unreasonably high costs to the City that are excessive and beyond the normal or usual amount for those services compared to the City’s usual FOIA requests, because of the nature of the request in this particular instance, specifically:

This is the cost of labor of a City employee, including necessary review, directly associated with separating and deleting exempt from nonexempt information. This shall not be more than the hourly wage of the City’s lowest-paid employee capable of separating and deleting exempt from nonexempt information in this particular instance, regardless of whether that person is available or who actually performs the labor.

These costs will be estimated and charged in 15 minute time increment; all partial time increments must be rounded down. If the number of minutes is less than 15, there is no charge.

6. Copying / Duplication Cost:

Copying costs may be charged if a copy of a public record is requested, or for the necessary copying of a record for inspection (for example, to allow for blacking out exempt information, to protect old or delicate original records, or because the original record is a digital file or database not available for public inspection).

No more than the actual cost of a sheet of paper, up to maximum 10 cents per sheet for:

- Letter (8 ½ x 11-inch, single and double-sided): _____ cents per sheet
- Legal (8 ½ x 14-inch, single and double-sided): _____ cents per sheet

The fee cannot exceed 10 cents per sheet of paper for copies of public records made on 8-1/2- by 11-inch paper or 8-1/2- by 14-inch paper. A City must utilize the most economical means available for making copies of public records, including using double-sided printing, if cost saving and available.
7. Mailing Cost:
The City will charge the actual cost of mailing, if any, for sending records in a reasonably economical and justifiable manner. Delivery confirmation is not required.

Deposit: Increased Deposit Due to Previous FOIA Fees Not Paid In Full

After a City has granted and fulfilled a written request from an individual under this act, if the City has not been paid in full the total amount of fees for the copies of public records that the township made available to the individual as a result of that written request, the City may require an increased estimated fee deposit of up to 100% of the estimated fee before it begins a full public record search for any subsequent written request from that individual if ALL of the following apply:

(a) The final fee for the prior written request was not more than 105% of the estimated fee.
(b) The public records made available contained the information being sought in the prior written request and are still in the City's possession.
(c) The public records were made available to the individual, subject to payment, within the best effort estimated time frame given for the previous request.
(d) Ninety (90) days have passed since the City notified the individual in writing that the public records were available for pickup or mailing.
(e) The individual is unable to show proof of prior payment to the City.
(f) The City calculates a detailed itemization, as required under MCL 15.234, that is the basis for the current written request's increased estimated fee deposit.

A City can no longer require an increased estimated fee deposit from an individual if ANY of the following apply:

(a) The individual is able to show proof of prior payment in full to the City, OR
(b) The City is subsequently paid in full for the applicable prior written request, OR
(c) Three hundred sixty-five (365) days have passed since the individual made the written request for which full payment was not remitted to the City.

14. Late Response Labor Costs Reduction
If the City does not respond to a written request in a timely manner as required under MCL 15.235(2), the City must do the following:

(a) Reduce the charges for labor costs otherwise permitted by 5% for each day the City exceeds the time permitted for a response to the request, with a maximum 50% reduction.
