

STATE OF MICHIGAN

RICK SNYDER
GOVERNOR

CARMINE PALOMBO
CHAIR

March 25, 2014

Dear Local Bridge Owner:

REMINDER: there is still one more opportunity for you to participate in the **free** Asset Management Guide for Local Agency Bridges training workshop scheduled for: **Thursday, April 24, 2014, 9:00AM – 4:00PM at the Holiday Inn, Marquette, MI.** In an effort to accommodate participants, the training session in Marquette will be offered via Webinar in addition to on-site participation.

This interactive training involves approximately six hours of material and is being offered at no cost to you or your organization. The training includes: bridge asset management principles, other tools and resources available to your respective agencies, along with State and Federal policy and programmatic requirements relating to bridge asset management. We are also looking for participant feedback in this pilot course so that we can evaluate whether or not to make this part of our on-going suite of asset management curricula.

If you are interested in participating in the Marquette training, please contact Brian Sanada at SanadaB@Michigan.gov or (517) 373-2220 with your name, agency, telephone number and if you wish to participate in either the Webinar or on-site workshop by close-of-business **Friday, April 18, 2014.**

Sincerely,

Carmine Palombo, P.E.
Chair, Transportation Asset Management Council
