

Infrastructure Project Funding

February 3, 2015

Lansing Center

This seminar has been developed to provide relevant information to Utility Owners, Managers, Superintendents, and Consultants associated with infrastructure systems. Attendees will be informed of current funding programs and what other utilities are doing to stay ahead of today's challenges with infrastructure systems.

Who Should Attend?

- Elected Officials
- City Managers
- Utility Directors/Managers
- DPW Directors/Managers
- Superintendents
- Consultants
