MICHIGAN RAIL CONFERENCE

Aug. 19-20 • Grand Rapids, MI

GRAND VALLEY STATE UNIVERSITY,
EBERHARD CENTER

AUGUST 19 NOON - 4:30PM **FIELD TRIP**

Field visits to Grand Rapids area rail facilities. We anticipate including a railroad terminal, the Amtrak station with equipment, and rail-served warehousing facilities. We'll also look at some local highway-rail grade crossing facilities.

AUGUST 20 8:00AM - 7:00PM **MAIN CONFERENCE**

The main conference day will feature plenary sessions in the morning filled with presentations related to rail activities in Michigan. The afternoon program will feature breakout sessions that could include rail project development in the past year; equipment and rolling stock development; education, labor needs, and workforce development; government regulation; and shipper's needs. Final program is under development, and should be posted on our website at <http://www.rail.mtu.edu/mi-rail-conf/index.php> by mid-May.
