# ADAPT AND OVERCOME

Wednesday, October 28 and Thursday, October 29 | 9 a.m. - Noon

There is no cost to attend!

Please visit the Center for Technology & Training online at:  
<http://ctt.nonprofitsoapbox.com/2020tamconference-fall>.

**Do you or your local agency take care of roads and bridges in your community? Have you overcome major hardships to revitalize a road? Do you have a bridge or culvert that received an "extreme renovation?"**

**Register today** for the TAMC 2020 Virtual Fall Transportation Asset Management Conference and join in the Extreme Transportation Make-over Challenge! Entries in the challenge will be shared during the virtual lunch on Thursday, October 29, and winning entries will be selected for inclusion in the Michigan 2020 Road and Bridges Annual Report.

**SPECIAL THANKS TO**

 **Center for  
Technology & Training**
