

**You are cordially invited to an informational webinar
to learn about the services and federal resources available
through the Office of U.S. Senator Gary Peters**

Please join members of Senator Peters' State staff for an informative discussion on the services and federal resources we can provide to help you serve your constituents and community. Topics will include, among others:

Constituent Services: Learn how we can help you and your constituents cut through Federal bureaucratic red tape to solve problems.

Federal Grants & Appropriations: Learn what resources and support we can provide to help you identify potential federal funding for priority projects and initiatives important to your community.

On the Ground Resources: Learn about our statewide team organization to identify your local on the ground partner for federally related matters of interest or concern.

Legislative Policy & DC Visits: Learn about how to best ensure your thoughts and opinions on current or prospective legislative policy are heard, and how we can help when planning a visit to our Nation's Capital.
