

Sec. 54-6. - Snowmobiles and off-road vehicles.

Snowmobiles and off-road vehicles (ORVs) may be operated in the city between December 1 and March 31 on designated trails or routes. Operators shall comply with state law for ORVs and/or snowmobiles. They may not be operated on a street for a distance of more than 500 consecutive feet. The city commission by resolution will approve routes of travel to gain access to the designated trail or lake each year. The city commission may prohibit them from any designated area of the city.
