ORDAINS:

**SECTION I
TITLE**

This ordinance shall be known as and may be cited as the City of Reading Medical Marihuana Facilities Ordinance.

**SECTION II
PURPOSE AND DEFINITIONS**

1. It is the intent of this ordinance to authorize the establishment of certain types of medical marihuana facilities in the City of Reading and to provide for the adoption of reasonable restrictions to protect the public health, safety, and general welfare of the community at large; to retain the character of the neighborhoods; and to mitigate potential impacts on surrounding properties and persons. It is also the intent of this ordinance to help defray administrative and enforcement costs associated with the operation of a marihuana facility in the City of Reading through imposition of an annual fee of not more than \$5,000.00 on each medical marihuana facility licensee. Authority for the enactment of the provisions of this ordinance is set forth in the Medical Marihuana Facilities Licensing Act, MCL 333.27101, *et seq.*

a) Nothing in this ordinance is intended to grant immunity from criminal or civil prosecution, penalty, or sanction for the cultivation, manufacture, possession, use, sale, or distribution of marihuana, in any form, that is not in compliance with the Michigan Medical Marihuana Act, Initiated Law 1 of 2008, MCL 333.26421, *et seq.*; the Medical Marihuana Facilities Licensing Act, MCL 333.27101, *et seq.*; the Marihuana Tracking Act, MCL 333.27901, *et seq.*; and all other applicable rules or regulations promulgated by the State of Michigan.

b) As of the effective date of this ordinance, marihuana remains classified as a Schedule 1 controlled substance under the Federal Controlled Substances Act, 21 USC § 801, *et seq.*, which makes it unlawful to manufacture, distribute or dispense marihuana. Nothing in this ordinance is intended to grant immunity from any criminal prosecution under federal law.

c) This ordinance shall not limit an individual or entity's rights under the Michigan Medical Marihuana Act or the Medical Marihuana Facilities Licensing Act. The provisions of Michigan Medical Marihuana Act, the Medical Marihuana Facilities Licensing Act, and the Marihuana Tracking Act shall supersede the provisions of this ordinance to the extent there is a conflict between the provisions of this ordinance and the provisions of the Acts.

d) Any activity that a licensee is authorized to perform pursuant to this ordinance that was conducted either prior to the enactment of this ordinance, or that is conducted after the enactment of this ordinance but without obtaining the required licensing provided for in this ordinance, shall be deemed to be an unauthorized and illegal use and therefore not entitled to legal nonconforming use status under any applicable provisions of the City's zoning ordinance or other City ordinance.

2. For purposes of this ordinance;

a) Any term defined by the Michigan Medical Marihuana Act, MCL 333.26421, *et seq*, shall have the definition given in the Medical Marihuana Act, and any amendments thereto.

b) Not more than 9 (nine) processor(s) shall be authorized in the City.

c) Not more than 5 (five) provisioning center(s) shall be authorized in the City.

d) Not more than 9 (nine) safety compliance facilities shall be authorized in the City.

e) Not more than 9 (nine) secure transporter(s) shall be authorized in the City.

2. At least every five years after adoption of this ordinance, the City Council shall review the maximum number of each type of marihuana facility allowed and determine whether this maximum number should be changed. The review and its findings shall be recorded in the minutes of the relevant meeting of the Council.

3. On and after December 15, 2017, the City shall accept applications for authorization to operate a medical marihuana facility within the City. Application shall be made on a City form and must be submitted to the City Clerk and/or other designee of the City Council (hereinafter referred to as "Clerk"). Once the Clerk receives a complete application including the initial annual medical marihuana facility fee, the application shall be time and date stamped. Complete applications shall be considered for authorization in consecutive time and date stamped order. Upon consideration, if the facility type authorization is available within the number specified above, then the applicant shall receive conditional authorization to operate such medical marihuana facility within the City. Once the limit on the number of an authorized facility is conditionally reached, then any additional complete applications shall be held in consecutive time and date stamped order for future conditional authorization. Any applicant waiting for future conditional authorization may withdraw their

submission by written notice to the Clerk at any time and receive refund of the initial annual medical marijuana fee submitted.

4. A conditional authorization means only that the applicant has submitted a valid application for a marijuana facility license, and the applicant shall not locate or operate a marijuana facility without obtaining all other permits and approvals required by all other applicable ordinances and regulations of the City of Reading. A conditional authorization will lapse and be void if such permits and approvals are not diligently pursued to completion.

5. Within thirty days from conditional authorization from the City or from December 15, 2017, whichever is later, the conditionally authorized applicant must submit proof to the Clerk that the applicant has applied for prequalification from the state for a state operating license or has submitted full application for such license. If the applicant fails to submit such proof, then such conditional authorization shall be canceled by the Clerk and the conditional authorization shall be available to the next applicant in consecutive time and date stamped order as provided for in Section III (2) herein.

6. If a conditionally authorized applicant is denied prequalification for a state operating license or is denied on full application for a state operating license, then such conditional authorization will be canceled by the Clerk and the conditional authorization shall be available to the next applicant in consecutive time and date stamped order as provided for in Section III (3) herein.

7. A conditionally authorized applicant shall receive full authorization from the City to operate the medical marijuana facility within the City upon the applicant providing to the Clerk proof that the applicant has received a state operating license for the medical marijuana facility in the City and the applicant has met all other requirements of this ordinance for operation including but not limited to any zoning approval for the location of the facility within the City.

8. If a conditionally authorized applicant fails to obtain full authorization from the City within one year from the date of conditional authorization, then such conditional authorization shall be canceled by the Clerk and the conditional authorization shall be available to the next applicant in consecutive time and date stamped order as provided for in Section III (3) herein. The City Council shall have authority to extend the deadline to obtain full authorization for up to an additional six months on written request of the applicant, within thirty days prior to cancellation, upon the reasonable discretion of the City Council finding good cause for the extension.
