

OLIVER ART CENTER

EVENTS & RENTALS

Located on beautiful Betsie Bay between charming downtown Frankfort and the pure sand beach of Lake Michigan, The Elizabeth Lane Oliver Center for the Arts offers a stunning and convenient venue for your next event, no matter the season. Weddings and receptions, holiday parties, family reunions, anniversaries and professional groups love the unique creative atmosphere of our galleries. Our LEED Gold certification means the building is sustainably built, has geothermal heating and cooling, and is maintained using only natural cleaning products. What's more, every rental helps keep Benzie County's only art center, a not-for-profit, serving its community!

"Ryan and I had a wonderful time, and I heard nothing but great things about the art center from our guests. Everyone thought it was a beautiful place for a reception. Everything came together really well. It was a fabulous evening!"

The Elizabeth Lane Oliver Center for the Arts has been a cultural cornerstone of Benzie County since it was founded as the Crystal Lake Art Center in 1948. Our mission is to "establish and maintain an educational program and facility for the advancement of the arts, and to promote and develop visual, culinary, performing, and literary arts."

We strive to engage our permanent and seasonal communities with outstanding arts programming while giving local and national artists a beautiful venue to show and sell work. Our roster of arts education is growing, as is our positive impact on area pride and economic vitality.
