

THE
@ALLEY
project

This mural runs for over 180 feet along Elsmere from Falcon to Avis and is a part of the TAP (The Alley Project) Gallery. On Angel's Night 2010 youth, neighbors, business owners, and artists came together to celebrate art and community and left behind this mural as a gift for the neighborhood.

TAP Gallery is an initiative in the alley between Falcon and Avis starting at Woodmere to create a safe environment where art is inspired, created, and displayed.

Special thanks to John Mooradian, Carol, Debbie, Adam, Victor, Dolores, Freddy, Antonio, Sido, and Ruben.
