

Adopting the Budget

Introduction

Section 15 of the Uniform Budgeting and Accounting Act (MCL 141.435) requires cities and villages to adopt a balanced budget prior to the beginning of each fiscal year. Municipalities sometimes find it necessary to adjust the millage rate to assure total estimated expenditures do not exceed total estimated revenues. The following chart outlines the steps required in the budget procedure and suggests some target dates for each step.

A <i>suggested</i> schedule for the budgeting process	
(assumes a July 1 fiscal year beginning date)*	
On or about	Step in the budget process
March 1	Chief administrative officer or fiscal officer asks department heads to compile budget requests for the coming fiscal year
April 1	Department heads submit budget requests for the coming fiscal year
May 1	Chief administrative officer presents the proposed budget to the legislative body
June 1	Council review completed; revisions made; union negotiations completed, etc.
June 7	If necessary, council adopts a resolution on the proposed additional millage rate for the coming fiscal year
June 24	Publish notice of public hearing on proposed budget (6 days prior to hearing), including time, place, and where a copy of the budget is available for public inspection. The notice shall also include the following statement printed in 11-point boldfaced type MCL 141.412): “The property tax millage rate proposed to be levied to support the proposed budget will be a subject of this hearing.”
June 30	Public hearing on budget; budget adopted
