We love where you live.

THE BUSINESS ALLIANCE PROGRAM

Do you want to reach the municipal market with your products and services? The League is here to help! The Business Alliance Program (BAP) connects businesses and municipalities throughout Michigan that recognize the League as a trustworthy source.

We are trusted by local officials because for over 100 years, we have educated, inspired, and advocated for municipalities all over Michigan from Ironwood in the Upper Peninsula all the way to Monroe on the state's southern border.

The BAP program offers opportunities in print and digital advertising, speaking and presenting opportunities at League events, publishing opportunities in the League magazine, *The Review*, and more!

League BAP participants will receive exclusive access to the digital version of the League's *Directory of Municipal Officials*. Search by name, community, or role to find the right contact you're looking for.

The BAP provides four levels of participation—Signature Elite, Premier, Core, and Basic. Each level offers a unique package of annual benefits. We're sure you'll find a level that meets your needs!
