MICHIGAN PLANNERS

Employee Benefits Program

The League is proud to introduce a new Employee Benefits Program built for Michigan's cities, villages and townships. To deliver it, we've joined forces with Michigan Planners to help members cut through the complexity of insurance, make confident plan decisions and give employees support that lasts well beyond open enrollment.

A TEAM THAT ALREADY KNOWS LOCAL GOVERNMENT

20+
Years serving the League

A long-standing relationship with the League and the members they represents.

60+
Years of benefits expertise

Trusted guidance built over generations, helping Michigan employers care for their people.

U.P. to S.E.
Statewide presence

Hands-on support for municipalities of every size, from the Upper Peninsula to Southeast Michigan.

Michigan Planners is here to help you.

1. **Costs keep climbing.**
   We bring plan options, claims trends and cost drivers into focus, so clear recommendations are ready before decisions reach the council table.

2. **Every team has different needs.**
   Police, fire, public works, administration and more. We make benefits easier to understand and align across departments, bargaining units, job types and life stages.

3. **Open enrollment takes over your calendar.**
   Employee meetings, clear communication and hands-on help when the questions start rolling in, so your HR team isn't carrying the load alone.

WHO IS MICHIGAN PLANNERS?

Trusted guidance built over generations.

For more than 60 years, Michigan Planners has helped employers across Michigan navigate insurance benefits. As an independent, third-generation, family-owned agency, they deliver the market access and expertise of a national firm, with the continuity and care those models often can't match. Their slogan: Big enough to serve, small enough to care.

No guesswork. Just better support for you and your team.

Strategic Consulting
Multi-year benefits strategy, benchmarking and renewal planning built around long-term value.

Cost Management
Claims and utilization analysis, contribution modeling and funding options that protect your budget.

Compliance Support
Guidance on ACA, COBRA, HIPAA and more, plus monthly compliance webinars.

Employee Education
Open enrollment meetings and clear communications for every department and location.

Claims Advocacy
Day-to-day help resolving carrier, eligibility and claims issues for HR and employees.

Administration & Tech
Enrollment platform guidance and payroll/HRIS coordination to reduce manual work.

MUNICIPAL SUCCESS STORY

City of Traverse City

With ~275 employees, multiple departments and several bargaining agreements, the City formed an employee benefits committee so every stakeholder could make decisions from the same shared data.

- Less "us vs. them," more shared understanding
- Fewer plans, less admin complexity
- Alignment on long-term savings

Client Reviews

★★★★★

I highly recommend… Michigan Planners for your health insurance needs. She was very knowledgeable and made the entire process so easy! Will definitely send my family and friends there.

★★★★★

Michigan Planners is by far the most helpful group of Insurance liaisons I have ever had the pleasure of working with. They do whatever is necessary to solve problems.

★★★★★

I have had the best experience with MI Planners from both a business and personal perspective. Their customer service is top notch.

Let's build a better benefits experience together.
